Docket No. T-20597A-08-0320

**MOTION TO RESCHEDULE HEARING**

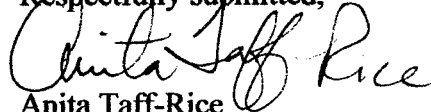

ExteNet Systems, Inc. ("ExteNet") hereby moves the Arizona Corporation Commission ("Commission") to reschedule the hearing date for ExteNet's Application for a Certificate of Convenience and Necessity, filed on June 24, 2008.

On December 31, 2008, the Commission issued a procedural order scheduling a hearing on ExteNet's Application on March 11, 2008. ExteNet had anticipated a hearing date in January. Good cause exists to expedite the hearing date for ExteNet's Application because ExteNet has potential customers that are awaiting ExteNet's receipt of its CC&N before they can commit to orders for point-to-point fiber transport service. Therefore, ExteNet respectfully requests that the Commission reschedule its hearing date to February 18, 2009.

ExteNet has notified the Telecommunications Division of its request to expedite the hearing date for its Application, and the Telecommunications Division does not oppose the request.

ExteNet has made arrangements to publish the required public notice in the Arizona Republic on or before January 16, 2009. ExteNet will provide an affidavit of publication to the Commission by January 30, 2009.

Respectfully submitted,

A handwritten signature in cursive script, appearing to read "Anita Taff-Rice".
